

RETURN THIS SHEET WITH YOUR CORE

PUMP CORE RETURN INSTRUCTIONS & SHIPPING ADDRESS

- Please place your core inside the plastic bag that your Adrenaline was shipped in.
- Place your pump back into the Adrenaline shipping box.
- Confirm the information on the form and add any comments if needed - then place core return sheet into the box with your core before closing. We will not be able to identify cores without this paperwork. It is best to use a separate plastic bag for all paperwork so that it does not get destroyed in shipping.
- Seal your box and **send your core to the address below** (don't forget to insure it for whatever it will cost you to replace it should it get lost or destroyed):
